

KILMAURS PHOTOGRAPHIC CLUB

QUIG QUAICH

2025

The subjects this year are:-

1. MUSIC
2. STILL LIFE
3. ORANGE (or a touch of)
4. LINEAR PERSPECTIVE
5. SHADOWS
6. GAMES (from tiddly winks to tug-of-war)

Normal competition rules apply with the addition of the following:-

- Images entered must have been taken after the date of the 2025 AGM, i.e. **on or after the 8th April 2025** anytime up to the **HAND IN DATE** of the 2025 competition currently planned as the **22nd September 2025**.
- Images must not have been entered in any other competition prior to the hand-in date. This applies to all formats of the images.
- Entries can be a combination of either B&W prints, colour prints or digital images for projection.
- Enter two images (maximum) from any three of the above subjects.
- A full entry is **six images per entrant** with the highest aggregate score being the winner.
- The entry will be judged at a club meeting currently scheduled for **Oct 2025**.

Note - images entered in the Quaich competition can also be entered into any club competition which is judged subsequent to the Quaich judging night, and so may be entered in the Rose Urie or any subsequent Open competition subject to normal club rules.

For Digital Projected images, the native resolution of the new club projector is 1600 pixels x 1200 pixels so landscape format images can be a maximum of 1600 pixels on the horizontal plane while portrait format should be 1200 pixels high on the vertical plane.

The images must be in j-peg format. Note that portrait format images should be 1200 pixels high NOT 1600 pixels' high.

GOOD LUCK, Bob Quig
